

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 1921 – SB 1905

March 9, 2018

SUMMARY OF ORIGINAL BILL: Requires newly elected or appointed county commissioners to complete seven hours of orientation training and all county commissioners to complete seven hours of continuing education training annually. Requires the County Technical Assistance Service (CTAS) to provide such training and the Comptroller of the Treasury (COT) to post the name of each county commissioner and the number of training hours completed on their website.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (014524): Deletes and rewrites all language after the enacting clause such that the only substantive change exempts (1) incumbents in office on the effective date of this act until such incumbent leaves office for any reason and is subsequently reappointed or reelected as a member of the county legislative body and (2) any commissioner after eight years of service.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Any cost associated with the COT posting the status of training hours completed for each county commission on their website will not result in any significant fiscal impact to state government.
- CTAS currently provides training courses to county officials free of charge; therefore, any increase in local government expenditures is estimated to be not significant.
